CONSULTING ENGINEER'S REPORT

JANUARY 20, 2026

2024 Statewide Local Share Account (LSA)

- The Pennsylvania Department of Community & Economic Development (DCED) accepted applications for the Local Share Account Statewide (LSA) program through November 30th, 2024. KLH submitted an application for the Brewer Field Redevelopment project. The estimated project cost is \$992,845.25. No match is required. Funding award decisions were announced by the CFA, and the project was not selected for funding.

2025 Statewide Local Share Account (LSA)

- The Pennsylvania Department of Community & Economic Development (DCED) accepted applications for the Local Share Account Statewide (LSA) program through November 30th, 2025. KLH submitted an application for the purchase of a street sweeper and dump truck. The estimated project cost is \$555,000.00. No match is required. Funding award decisions are anticipated in late 2026. The Borough received a Letter of Support from Representative Warner as well as Senator Stefano, and those letters were included with the application.

DGLVR GRANT APPLICATION (NO UPDATE)

- An application for the DGLVR was submitted for the end of Sampson Street in March 2024. The project scope involves installing new drainage inlets and piping, a new retaining wall, and rebuilding the roadway. The program is willing to fund \$100,000 of the total project cost, and that the remainder of the project cost would need to be funded by the Borough.
- KLH estimates the project to cost \$131,119.40. The Borough would need to cover the remaining \$31,119.40.

GTRP Grant Application – Brewer Field Redevelopment Phase I (NO UPDATE)

- The Borough was awarded \$225,000 which requires a 15% match from Belle Vernon Borough. The executed contract between the CFA and Belle Vernon Borough was received on March 12th, 2025. The Borough and KLH met on August 19, 2025, to discuss scope and design for the park. The Borough is prioritizing demolition, miscellaneous site work, parking, and a walking track to be included in Phase I. KLH completed a revised site plan that reflects the prioritized items. The Borough is reviewing the revisions.

2025 PA Small Water and Sewer Grant Program (NO UPDATE)

- The Pennsylvania Department of Community Development (DCED) accepted applications for the PA Small Water and Sewer Program through April 30th, 2025. KLH submitted an application for Manhole/Catch Basin Inspections and GIS mapping for the Boroughs sewer systems. The estimated project cost is \$143,699.00. The Borough will be responsible for 15% (\$21,554.85). Funding award decisions are anticipated in early 2026.
